- When using qualifying SAT Reading & Writing/Language, ACT Reading & English, or CLT Verbal Reasoning and Grammar/Writing scores for Academic Dual Enrollment, the student must submit a PERT Math attempt, if the student does not have a minimum math score for that test.**
- Students must retest Reading, Writing, and Math if the PERT, ACT, SAT or CLT test score date is older than two years from the start date of the course and earn a new qualifying score.**
- Students are limited to five test attempts per subject area to qualify for dual enrollment and may only test once in a day.
- Students must take SLS1103 within the first two semesters of participation in dual enrollment.
- Students must successfully complete English II prior to enrolling in a dual enrollment course other than SLS1103.
- Students must successfully complete Geometry and Algebra II prior to enrolling in MAT1033, MAC1105, MGF1130, MGF1131, or STA2023. (see Math Pathways)
- If a student does not meet the testing requirement for MAC1105 - College Algebra or STA2023 - Elementary Statistics, MAT1033 - Intermediate Algebra must be successfully completed as a prerequisite.
- MAT1033 = 4 credit hour elective at FSCJ. MAT1033 = 0.5 credit in math for DCPS.
- MGF1130 and MGF1131 are prerequisites for MAC1105 or STA2023. (see Math Pathways)
